

WORKCOVER APPROVED MULTIDISCIPLINARY PAIN MANAGEMENT

Pain
Education
and
Management

WorkCover
QUEENSLAND

Community-based | Telehealth-enabled | Evidence-based

Think of this program when a patient:

- ✓ Has persistent pain following injury
- ✓ Is not progressing as expected
- ✓ Requires coordinated MDT input
- ✓ Has psychosocial barriers to RTW

GP remains responsible for medical management; the program coordinates MDT care and reporting.

Referral Options

- ✓ Any Standard GP referral accepted
- ✓ PDF and Bestpractice Referral templates available
